**Overview**

As part of the business of the Authority, correspondence between Authority staff, Board members, Grant Fund Administrators, and other outside agencies should be presented on Authority stationary with an approved SCGA logo.

**Recommendations**

Approve the proposed SCGA stationary and logo

**BACKGROUND:**

On August 29, 2006 the Sacramento Central Groundwater Authority was formed through a Joint Powers Agreement (Agreement) between the City of Elk Grove, the City of Folsom, the City of Rancho Cordova, the City of Sacramento and the County of Sacramento. Section 17 of the Agreement provides for correspondence with the Federal government, the State, or any county or local agency thereof, or any political subdivision, including flood control districts, private and public corporations, and any person, so that the powers of the Authority may be fully and economically exercised.

**DISCUSSION:**

As part of the regular business of the Authority, written correspondence will be used to communicate between SCGA staff and others and should have the appropriate logo to represent the Authority.
